THE ESSENTIAL BUSINESS INTELLIGENCE SOURCE

WORLD PACKAGING COMPANIES has been widely acclaimed as the outstanding source of packaging company information across the industry. Its unique multi-sector approach lets buyers review not only the performance of their own sector, but also the performances and strategies of suppliers in other sectors competing for the same end-use markets.

Within its comprehensive analysis of the packaging industry, it includes detailed

profiles of the leading 100 companies worldwide, analysis of key trends by world region and industry product sector, industry rankings by sector and analysis of acquisition, merger and joint venture activity throughout the industry over the past two years.

Now in its fourth edition, it remains the definitive analysis of the packaging industry and buyers frequently remark that it is their most useful research publication purchases
